

## WALLMOUNT RANGEHOOD 120cm CL6272

- **innovative design** - stainless steel wallmount rangehood combines modern elegant canopy design lines, perfect for al fresco/outdoor dining areas.
- **high quality** - 304 grade stainless steel canopy is more durable for an outdoor room or under-cover patio.
- **3 speed levels** - easy to use push button controls.
- **powerful extraction** - twin, in-built motors provide a powerful 2200m<sup>3</sup>/hr of airflow, for efficient extraction of steam and smoke, to leave the outdoor kitchen air fresher.

**WALLMOUNT RANGEHOOD 120cm CL6272**
